Subject: Issues about spare parts for future testing pots operation

Dear Mr. Rainaldy,

Hopes everything goes well with you.

Here I am writing to inform you that I've entrusted the supply of spare parts and related work to:

Name of Company : PT. Padang Lawas Nusantara

Address : Komplek Ruko Tomang Elok Blok B No.94 Medan Telp: 061-8458952

Contact Person : Mr. Indra Munawir Nasution (HP: 082364492788)

These spare parts are quite necessary for guarantee the normal operation of testing pots in future. since until now, the spare parts cataloging is still under preparation, and my promised 2-month service is approaching end, so we appoint the above company to continue negotiating with your team and provide necessary support.

If any malfunction in SAMI provided-equipment happens, please contact him to get the spare part as soon as possible.

Thanks again for your long-term cooperation and support.

Yours faithfully:

Mr. QuYonggang

Project Manager
